CONGRESSWOMAN MARGARET CHURCH SPEAKS IN JOLIET OCT. 24

ASKS 'NO' VOTE ON MOSQUITO ABATEMENT

Charles J. Erickson, President of the Cook County Farm Bureau, urges every Farm Bureau member living south of 87th street, in Cook County, to vote "No" on the Proposed Mosquito Abatement District November 4. "It is not that we are against getting rid of the mosquito," says Mr. Erickson. "But we are opposed to setting up a politically controlled district which could assess up to \$350,000 or \$400,000 annually. The public makes its own taxes and if we are ever going to be free from this heavy tax burden we are facing today we must stop authorizing new taxing bodies."

"We are not in accord with this proposed district for more reasons than the tax angle. Some are listed as follows:

"Our farm land in Cook County adjoins Will County. Will we be able to keep Will county mosquitoes out of Cook county? We know mosquitoes travel great distances. Cook county farmers will be assessed for something that is not workable."

"The Chicago Board of Health prohibits the use of DDT for fly control in our dairy barns. It is not unreasonable to assume that if the use of DDT in the dairy barn is unsafe, it would be just as unsafe to use it on our fresh vegetables and feed for our livestock. Yet the proponents of the proposed district plan to spray the entire area with DDT. Do you want your children subjected to this danger? Entomologists at the University of Illinois recommend to farmers not to spray crops with DDT or to use it only on a spot basis three weeks before the harvest and not to feed to livestock. Should we not assume the same safeguard to the human race?"

"Lastly, every city or rural area has within its jurisdiction the power and opportunity to control mosquitoes on a local basis."

"It is not necessary to set up a district as has been proposed. Set up on a local basis, it can be controlled locally."

Citizens who live south of 87th street in Cook County will have a chance to vote on this new proposed district November 4. We recommend "Vote No". If you fail to register your objection that day, don't kick when you find your tax bill higher.

Be sure to vote November 4.

Vet Opens Law Office in Mokena

A law office was recently added to Mokena's list of professional offices when Raymond A. Hoolehan opened his office at 80 Front street. Here he will be engaged in the general practice of law.

Mr. Hoolehan came to Mokena in the summer of 1949. Prior to coming to Mokena he had been a resident of the Northwest side of Chicago. He enlisted in the army in December of 1941, and was discharged, a captain, in April of 1946. At that time he resumed the study of law. He was graduated from DePaul University College of Law and was admitted to the bar in January of 1949.

Mr. Hoolehan entered the insurance claim field and came to Mokena when he received a claim territory including Joliet and vicinity. However, for the past three years he has been employed as a claim supervisor in Chicago handling casualty claims arising throughout the Midwest. He was employed by the American Casualty Company of Reading, Penn.

Mr. Hoolehan, his wife, Eileen and their three children, Kevin, Karen, and Mary Bridget, live at 78 Front street in Mokena.

Local Women Sign Blue Cross Members

Mrs. Emil Groth of Mokena and Mrs. Joe Scott of Frankfort, representatives of the Blue Cross and Blue Shield hospitalization plan in this area, are now signing up new members and renewals. The program is sponsored by hospitals and doctors. Interested parties have until October 31 to enroll. After this date they will not have another opportunity to join for another year.

GAME NIGHT

St. Anthony's Catholic church will conduct a game night in their church basement in Lincoln Estates Saturday night, Oct. 25 starting at 8 o'clock. Everyone is invited.

An appearance of the noted Congresswoman Margaret Stitt Church along with district and county candidates will highlight this week's activities in the Republican campaign in Will county.

Mrs. Church, member of congress from the 13th district, will speak at a tea to be given Friday, Oct. 24 by the Will County Republican Woman's club in the Terrace Room of the Hotel Woodruff at 1:30 p.m.

In addition to Mrs. Church, district and county GOP candidates will be in attendance.

Friday night, the county Republican activity will swing to Peotone where an open house is to be held for Republican candidates at the Biersa hostess house at 8 o'clock, to which everyone in the county is invited.

Congressman Noah Mason will be the principal speaker at the Peotone affair. Refreshments will be served buffet style.

Meanwhile the activities of other groups of the Republican campaign are swinging into high gear.

The Young Republican organization has erected two large billboards in Joliet urging all voters to get in the fight against corruption. According to James M. Bartley, president, the Young GOP is planning an extensive precinct by precinct campaign and will furnish speakers to any group desiring them.

With the opening of an "I Like Ike" booth in the courthouse yard, the Minute Men for Eisenhower are also beginning the concentrated phase of their activities. Under the direction of John B. Anderson, III, they are in the process of unifying the independent voters behind Ike.

Shirley Boze Weds Corp. W. Jefferies At Calvary Church

Miss Shirley Ann Boze and Corp. William L. Jefferies were united in marriage at a colorful fall wedding at the Calvary Baptist church, in a double ring ceremony, October 11, at 7 p.m. Rev. William Kerr officiated. The bride was given away by her father and mother, Gladys.

The altar was decorated with candles and baskets of chrysanthemums. Mrs. Gladys Vaughn sang "Because" and the "Lord's Prayer" with Miss Marina Burin at the organ.

The bride wore a white satin gown and nylon skirt, with all-over lace and fingertip veil, and a pearl necklace which was a gift from her parents. She carried a cluster of chrysanthemums, centered with a white orchid.

The maid of honor, Miss Nancy Boze, wore a gown of peacock blue taffeta with all-over lace and lace jacket, and carried a bouquet of yellow chrysanthemums.

The bridesmaid wore a pink taffeta gown with lace and lace jacket. She too, carried a bouquet of yellow chrysanthemums. The gowns of both maid of honor and bridesmaid were of ballerina length.

The bride's mother was attired in a brown suit, with white accessories and wore a chrysanthemum corsage.

Eldon Harmon was best man, with Sam Jefferies as his assistant. Ushers were Charles Scheeler of Altoona, Pa. and George Letts.

After the ceremony, a reception was held in the church parlors.

The bride and groom who received many fine gifts, are honeymooning in Florida for a few weeks, where they are staying with the groom's mother and stepfather.

Among the wedding guests from out of town were: Mrs. Bessie Scheeler of Altoona, Pa., Mr. and Mrs. Wm. Boze, Mr. and Mrs. Chester Boze and son, Mr. and Mrs. Wm. Reid and son, Mr. and Mrs. Neil von Kanegon, Mr. and Mrs. Charles Ahlgrim, Mr. and Mrs. Ed Superity, Mr. and Mrs. A. Superity, Mr. and Mrs. Spencer Maxey, Mr. and Mrs. Frank Evanchich, and Mr. and Mrs. A. Weidefeld and son Johnny, all of Chicago. Mrs. C. Dougherty, Dolton, Mrs. R. Heston, of Chicago Heights, Mrs. R. Tucker, Elwood, Mr. and Mrs. Sam Jefferies, Jr., Yorkville, Mr. and Mrs. D. Aston, Gary, and May Bjork, Homewood, as well as many friends and relatives from Lincoln Estates.

DRUM, BUGLE CORPS TO GIVE MASQUERADE

On Saturday, November 1, the Drum and Bugle Corps of Wm. Martin Post 725, VFW, will hold a masquerade dance at VFW hall on Wolf Road. Proceeds will be used for the purchase of instruments needed by the Corps. We have long needed something like this in Mokena, and it is gratifying that steps are now being taken to reach this goal. Prizes will be awarded as follows:

\$10 for the best dressed couple, \$10 for the most comical couple, \$5 for the best dressed single, and \$5 for the most comical single.

Banas Brothers band will furnish the music, and the VFW "Hungry Five" directed by Lenhard Von Pierson and Kepal Meister will entertain during intermission. Food will be served throughout the evening.

Anyone interested in joining the Drum and Bugle Corps may do so by attending their practice which is held every Tuesday evening at 8 o'clock at VFW hall.

R. I. SEEKS 20 PER CENT FARE INCREASE

(CNS) Officials of the Rock Island railroad testified before the Illinois Commerce Commission Thursday that the road lost \$1,456,454 last year on Chicago-suburban service. They are seeking a general 20 percent fare increase.

After an all day session involving lengthy testimony and presentation of evidence, the hearing was continued to October 31 at 10 a.m. in the commission's main hearing room on the 19th floor of the state building.

Testifying before examiner Forest McElroy, Rock Island statistician W. C. Olson said the road's revenue was \$2,062,656 and expenses \$3,519,110 last year on the suburban Chicago-Joliet line.

At present fare rates, he said, the 8,930,318 commuters paid an average of 1.60 cents per mile while the cost to the company was 2.88 cents per mile in 1951. That, according to Olson, means that the Rock Island subsidized the passengers to the extent of 1.28 cents per mile.

Olson explained that since 1939 wages have gone up 140.5 per cent and materials 119.4 per cent while in the same period passenger rates have increased only 43 per cent.

Olson said that the 20 per cent fare increase proposed would add \$389,924 revenue per year, based upon the number of riders last year. This still would leave the road with a yearly deficit of \$1,066,530. Olson said that to break even, an increase of 70.61 per cent in revenue would be necessary. Most of it would have to come from fare increases.

One source of revenue lost to the Rock Island on the suburban runs, he said, is the money from mail carriage. This amounted to \$31,871 for the first five months of 1951. The service was discontinued by the post office on June 1, 1951, when the department began short hauls by truck rather than by train.

Sets Up Photo Shop In Mokena Home

Bill Bradley, Mokena's up and coming young man, who was graduated from JTHS this June, is now specializing in all kinds of photographic work. His announcement appears on another page.

While in high school Bill took up photography and made great progress in this field. He has at all times studied to improve his work until now he is capable of handling any size group or groups from weddings to large social functions as well as individual portraits. He has his work shop in his home of Wolf road, Mokena.

Frankfort School To Hold Annual Fall Fair, Festival

The Annual Fall School Fair and Festival of the Frankfort public school will be held one week earlier than usual this year. The date set for the Festival is Friday evening, October 24. The program will get under way at 7:30 sharp.

Everybody is invited to enjoy the program which will be held at the opening of the Festival. This will be followed by the usual entertainment. There will be exhibits and booths, a country store a lunch booth where home-made candy, popcorn and other eats that go hand in hand with festivities and fun will be on sale.

There will also be various games to add to the enjoyment of the occasion, an old-fashioned cake walk, and many other attractions.

The Frankfort Annual Fall School Fair and Festival is one of the high spots in this community's social life. Everyone goes to it and everyone has a glorious time. So jot down the date—Friday, October 24—on your calendar right now and make this important reservation.

Amvets Auxiliary To Hold Halloween Costume Party

The Amvets Post 183 Auxiliary Mokena, aided by the Post, is sponsoring a Halloween costume parade to be held Friday evening, October 31 at 7 p.m. The parade is for all grade school children and pre-school tots. It will form at the public school grounds and march down Mokena's Front street to the VFW hall, on Wolf road, where the VFW is sponsoring a weenie roast for children of all ages.

The Amvets Auxiliary will award a number of prizes for the best costumes, funniest costume, etc. The judges will be prominent citizens of Mokena.

Present Petitions To Board for Water Issue Election

Mokena village board met Tuesday night at an adjourned meeting from last Tuesday's regular meeting.

Most of the business centered around the proposed water revenue bonds and the new water works improvement plan.

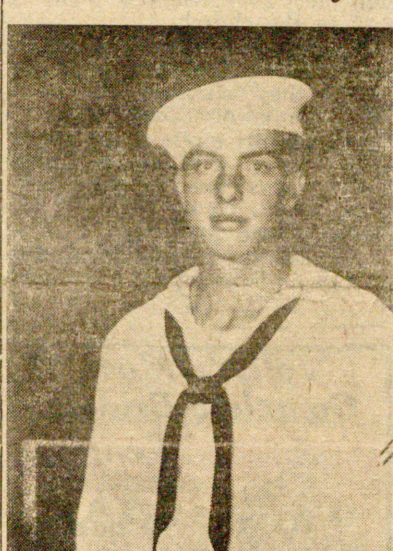

Petitions were presented at the meeting with 314 signatures requesting the village board to hold an election on the \$60,000 water revenue bond issue. This ordinarily would not require an election unless there were sufficient requests for it, which have now been forthcoming.

Many people have wondered what the minimum cost would be, and in answer Mr. Warren, of the Benjamin Lang bond house of Chicago, stated that he would estimate the water rate, if this election goes through, to be probably \$6.00 a quarter, or around \$25 a year as the regular minimum rate.

Mr. Warren also suggested that all home connections that might be installed after January 1, 1953, be charged a tap-on fee and a permit fee.

Immediately prior to the board meeting Judge Balaz held court. Mr. Victor Muntion, of Chicago, who was arrested by Police Chief Carter last Saturday for speeding on Wolf road at 55 miles an hour, was fined a minimum charge of \$5 and \$3 costs. Muntion stated he probably was going faster than he had realized, that he has driven 40 years, and this was his first arrest.

Golden Birthday

Seaman Apprentice Donald Olson, son of Mr. and Mrs. Walter Olson, of Mokena, celebrated his golden birthday October 20 aboard the U. S. S. Sierra. He is a graduate of Mokena public school and Joliet Township high school. Donald entered the service last spring.

Radcliffes Visit Friends in Tinley While En Route

Mr. and Mrs. Cy Radcliffe and children passed through Tinley Park last Thursday and stopped for a few minutes at the home of Mr. and Mrs. E. L. Sielaff while on their way to visit Mr. Radcliffe's sister in Willow Springs. Mr. Radcliffe was formerly a John Deere implement dealer in Tinley Park. The firm name was Mancke & Radcliffe. Mr. Radcliffe and Mr. Mancke are now operating a John Deere Implement branch in Homedale, Idaho.

Mr. and Mrs. Sielaff and Mr. and Mrs. Herman Gee visited the Radcliffes' one evening during their stay in Willow Springs.

Mr. Radcliffe and his family left Friday for Detroit, Mich., where he was to address the convention of the National Retail Farm Equipment Dealers Tuesday evening. The subject of his talk was to be "Big Government vs. Small Business." Recently, Mr. Radcliffe has been touring the country making this speech in many of the principal cities. His next scheduled appearance is in Portland, Ore.

New Light on Mok'na Post Office Robbery

Mrs. Antoinette Doggett, 125 W. Chicago, and Mrs. Margaret Haines, Douglas, Mich., were charged in Michigan with aiding in the forging and cashing of 50 post office money orders.

The money orders were stolen last July in burglaries at the Mokena and Big Rock, Ill., post offices by Mrs. Haines' husband, Glenn, according to postal inspector Jerome Williamson. The checks amounting to between \$60 and \$80 were passed in liquor stores.

A partnership in crime was formed by the two wives while in a Chicago maternity hospital, after each gave birth to a baby, postal inspectors announced.

National Groups Use Facilities Of Community Center

World reaching effects will result from two meetings held recently at the Community Center Foundation.

Last week, for the first time in their history, all the executives of the conservative wing of the evangelical churches and other groups in the United States, got together as a group for three days at the Foundation to discuss the common problems of their mission work in the far reaches of the world. They represented ten million church members and ninety denominations throughout the country.

Rev. Clyde W. Taylor of Washington, D. C., the executive Secretary of the conference, felt that in the give and take of the discussions definite progress had been made and that the conference had succeeded remarkably well in its intent.

Prior to this conference the executives of the two branches of the American Friends Service Committee, the Community Relations Committee, and the World Peace Secretaries Divisions came to the Foundation from various places throughout the country to discuss their common problems. These groups are working together ardently to bring about world peace.

Rapidly national recognition is being given the Community Center Foundation and the Palos area as the result of facilities offered at the Foundation to these national groups who go from Palos back to their corner of the nation to work for a better world.

NEW LENOX PTA MEETS, PUTS ON FINE PROGRAM

Tuesday, October 14, the members and friends of PTA spent a delightful evening at the Haven school in New Lenox.

After singing led by Mrs. Lawrence Carlson, the president William Heidrich, conducted the business meeting. During the meeting he introduced Mrs. Earl Ulrich, a past president, who very kindly accepted the chairmanship of "Family Fun Night" on October 25. This affair will represent the big "money making" event of the year. It promises to be a big night and one not to be missed by anyone. It will be held in the Haven avenue school gym. There will be no admission. However, you are asked to bring a small trinket for one of the booths. If you have nothing—please come anyway—everyone is welcome!

Fred Feil, program chairman, presented a very interesting program with the 8th graders giving a clever "TV Show." Mrs. Frank Camerllo an interesting talk on Homemakers and Mr. Feil himself saying a few words on behalf of the fathers. Mr. Feil also introduced Mr. Harry Adams, president of the Joliet Mineralogists Society, who gave a demonstration of the art of Gem cutting. He gave an interesting story and display of stones and gems. He was assisted by Mr. Jay. The entire program was interesting and held the attention of all those present.

Coffee and cup cakes were served by the Eighth grade mothers and another delightful evening came to a close.

WILLIAM FUNK HURT IN AUTO CRASH ON R. 45

William Funk, 55, of Mokena, was critically injured in a collision involving two cars at about 9:30 a.m. last Sunday, on Route 45, about two miles north of Route 30. He was taken to the Silver Cross hospital, where it was found that he had suffered a punctured lung, broken ribs and chest injuries. Injured also in this accident was Conrad Woelfel, 49, 2415 Greenwood avenue, Wilmette, who suffered chest injuries and broken ribs.

According to Sgt. Jack Jones, of the state police, the injured men were alone in their cars at the time the accident happened. Funk had been northbound on Route 45 and was about to make a left turn onto a gravel road, Woelfel, headed south, jammed on the brakes when he saw Funk's car but could not stop in time to avoid the collision. Funks car was knocked about 50 feet by the impact. Both cars were completely wrecked.

A thrilling lecture illustrated by full color motion pictures is being sponsored by the Frankfort Lions Club, and will be given at the local gymnasium, in Frankfort, Friday, October 31, starting at 8 p.m. This film-lecture is entitled "A Scrap Book of the Northwest", and is by Sam Campbell, widely known author, lecturer, naturalist and photographer, who is frequently referred to as "The Philosopher of the Forest."

The program is being brought to Frankfort by the Chicago and Northwestern Railway System.

Sam Campbell's new lecture film combines the highlights of many of his famous films of past years in a Scrap Book of thrilling beauty on America's Northwest. The Scrap Book first shows Sam and Giny Campbell at their Northern Wisconsin home, where new animal characters are introduced, the latest in Campbell's growing list of forest friends.

The Scrap Book then opens to the romantic Black Hills of South Dakota, which is fast becoming one of the West's most popular vacationland. The magic of Sam Campbell's color film has caught the dramatic past of this historic area, where mountain vistas, shimmering lakes, streams, forest and fields combine in a symphony of natural beauty. Yellowstone Park is next, with its geysers and falls. Moose, elk, bear and coyote accommodate pose for their pictures.

The next page brings intriguing Sun Valley, Idaho. There are scenes about the famous lodge, ice skating in midsummer, and a barbecue dinner back in the foothills. Again a page turns, to the magnificent Columbia River Valley in Oregon. Multnomah Falls, distant Mount Hood, the blue Pacific and the coastline are a few of the many breath taking scenes, and as a climax the "Scrap Book" offers magnificent Mt. Rainier. We see its flowers, its forests and mammoth trees, its interesting wild life. As the Scrap Book closes, we see the unforgettable spectacle of dawn creeping down the mountain which the Indians called "The Mountain That Was God."

There is a small admission charge to see and hear this remarkable lecture film. People who have seen it would go miles out of their way, and gladly pay three or four times the price asked to see it again.

Sam Campbell is the author of numerous books, the latest of which is "Moose Country." He has lectured for the Chicago and Northwestern Railway System for 20 years. His audiences have totaled nearly six million people.

Handy Hints

Farmers lose 55 Million Dollars every year because of bruised livestock that reaches the market. Most injuries are caused by boards or heavy sticks while driving them. But, here's an effective "persuader," or slapper, that drives them by frightening them—but won't hurt them.

You can make it with a three or four-foot section of an old inner-tube, and an old paint brush handle. If you have no old paint brush, then whittle out a handle from a soft board. Just slip the handle into the tube, as shown in the sketch, and tack it on.

Fourth grade Room 303, a group recently made a trip to the Brookfield zoo. Mrs. Sloan and Mrs. Freund, the room mothers, chaperoned the group. The balmy weather, the changing leaves and the mink sights made the trip a happy one.

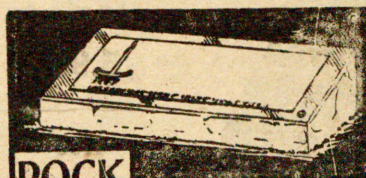

We are now working on a Westward-Ho type of play for the assembly program, October 30th. Several girls are practicing for the square dance number. They are: Barbara Libbert, Diane Ecklund, Jill Hollingshead, Susanne Watkins, Barbara Schmoock, Barbara Freund, Sandra Auld and Donita Herre. Indians are: Terry Devlin, Robert Knight, John Szaton, Richard Wille, Joseph Valiga and Charles Albright. The rescue party is composed of the following: Jack Boston as Buffalo Bill, Vernon Sloan as Kit Carson, and Roy Wilkins as the Lone Ranger and Calvin Morgan as Tonto. Their group rescues the pioneer from the Indians. The pioneer family includes Gener McClellan, Peggy Fierke, Lynda Nelson, Keitha McArthur, Susan Marbach, Donna Larson, Sharon Schaffer and Barbara Farquhar. The playlet is a combination of scenes suggested by the stories in our reader. It was prepared by the class.

Room 302 were pleasantly surprised to have a teacher from Texas visit their room. Mrs. Alma Kelter, enjoyed telling many interesting things about her state. The class asked her many interesting questions about the oil wells. Paul Buck's father brought a fine movie made up of pictures of back scenes of the Greatest Show on Earth, while they were being filmed in Chicago. Thank you, Mr. Buck, come again. Rocks are the main objects of interest in Science. Phyllis Nieland brought an interesting collection of rock to the class.

Room 302 started practicing their play for the assembly program on the 30th of October. We are all looking for our parents to come and enjoy our efforts. On Friday afternoon the children in Room 301 entertained each other. Louis Dini played his accordion, Tom Blount sang several popular songs. Mike Johnson and Robert Jirka gave a clever comedy act, we had fun!

The Student Helpers of the Tinley Park School will have their first outing Thursday, October 16th, this will be a "Wienie Roast", it has been planned by the School Council and will be paid for from School Council Funds. Student Helpers are: Lunch Room: Bill Fierke, Audrey Rogers, Carolyn Machtemes, Boris Trylovich, Keitha Parmer. Book Store: Carole Schara, Charles Bailey. Mailman: Jack Callahan. Movie Operator: Elmer Peterson. Library: Carolyn Nielson, Evelyn Brown, Bonnie Brauer, Pat Moran, Joann Galina, Helen Bettenhausen. Monitors: Gergette Zirbes, Janet Carlson, Lenine Couch (captain), Erma Versteegh, Patricia Libbert, Alice Albright, Gloria Bettenhausen, Sharon Hultsch, Janet Woosnam, Rose Wiable, Linda Rogers, Joan Beaman. Bus patrol Dorothy Maciukenas, (captain) Merle Bettenhausen, Sandy De-Blake, Gilbert Cloud, Carolyn Nielsen, Peter Hodorowicz, Helen Bettenhausen.

School Council: Room 401, Carolyn Nielsen; Room 300, Lois Lindemann; Room 200, Jerry Miller; Room 102, Alice Albright;

Safety Patrol: Robert Bailey, John Redman, Edward Brown, Patricia Rea, Barry Haber, Wayne Goebel, Walter Eggert, Jerry Erskine, Joseph Lucas, Donald Buchhaas, Ray Townsend, Stanley Trylovich, John Blew, Richard Tindall, Wayne Darby, Bill Wolf, Ed McArthur, James Parmer, Lyle McArthur, Wayne Willis, Dennis Tattum, Roger Hug, Kenneth Pursely, Joseph Blount. On Wednesday, October 8th, Tinley Park played West Harvey at Memorial Park. Tinley lost by a score of 62-24. Several fumbles proved very costly to Tinley Park. Robert Simulcik ran for six touch downs, two were called back because of minor penalties. Tinley Park will play Blue Island at Blue Island on October 15th.

BERT H. FULTON NEWS

Room 105, Mrs. Rauhoff; an election was held on Wednesday to decide on a name for our green turtle. Bob Parmer, acting as scorekeeper, tallied 23 votes for the title, "Mr. Poky". Subsequently Mr. Poky was christened However, we are worried about Mr. Poky's diet, to date he has consumed three dried ants and one fly. This may lead to malnutrition or possibly a long winter nap. We'll let you know. Our bulletin board is gradually taking shape. Karen Sanders brought some interesting pictures, Diane Knudsen has written some good jokes. Many children have contributed fine items. We eventually plan to make a scrap book of the material.

Room 101, Mrs. Borge; Thursday, Martin Benson brought a clipping from the paper telling about the Rock Island's 100 year old train that would go from Chicago to Joliet at 10:00. We watched for it and it came at recess, so we all got a very good look at it. Later we wrote a story about the 100 year old train and drew pictures of it. Friday a cat mysteriously appeared in the back of the room. Sonny Drayer took it outside, a few minutes later the cat was back in the room! How did it get in? The door was shut. Again Sonny took it out. Then we saw the cat lumbering in the window and let it stay until lunch time.

Room 103, Mrs. Hall; we have just completed our first week of actual reading in the preprimer "We Look and See". The children were happy to meet their friends Dick and Jane in the first few pages. Richard Behrens, Denise Koester and Lyndell Parrish all spent some time at home this week because of illness. Linda Lauke is happy, soon the cast comes off her broken arm! Tragically, all the gold fish died over last weekend. We came back Monday to find them floating on top of the water.

Mr. and Mrs. Wilbur Mancke and children who have been visiting his parents, Mr. and Mrs. Pete Mancke and daughter, Miss Lois left for their home in Homedale, Idaho. While here, three months old daughter was baptized in St. John's Evangelical church a week ago Sunday by Rev. William Riemann. The name given was Mary Christine and sponsors were Mr. and Mrs. Walter Hartenstein of Western Springs who proxied for Mr. and Mrs. John Radcliffe of Des Moines, Ia., who were unable to be present. A christening dinner followed in the Pete Mancke home. Before returning to Idaho they visited with Mrs. Mancke's sister the Hartensteins at Western Springs.

Mr. and Mrs. Wilbert Lauffer and family and her parents Mr. and Mrs. Emil Groth attended the wedding anniversary celebration of Mr. and Mrs. Henry Grasmie: at Manhattan Sunday. The Mokena-New Lenox riding club met at the home of Mr. and Mrs. Leo Marcoux Sunday and enjoyed a picnic dinner in the beautiful Marcoux woodlands.

Mrs. Ralph Howell entertained at a party Saturday in her home on Front street in honor of her son David and his sixth birthday. Games were enjoyed followed by refreshments. Each guest received a splendid favor. David was presented with many nice gifts. George Beutel recently sold a bull, Beu-Dell's Royal Meridian to the Southern Illinois Breeding asso., at Breese, Ill.

The annual convention of Royal Neighbors of Will county will be held in Odd Fellows hall, east Cass street, in Joliet, Tuesday afternoon and evening, October 28. Supper will be served in the Ottawa Street Methodist church. Those desiring to attend the convention should make their reservation with either Mrs. Harold Cooper or Mrs. Clinton Krause by October 25.

Mr. and Mrs. George Cooper of St. Petersburg, Fla., arrived by plane and spent the week end with Mr. and Mrs. Dave McMillan and called on other relatives and friends.

A son was born to Mr. and Mrs. Kenneth Corniels, October 15 in Silver Cross hospital. The baby weighed seven pounds, seven ounces and has been named Ronald Lee. This was the third child born to the Corniels by Caesarian section. Mrs. Corniels and baby expect to return from the hospital today.

A daughter was born to Mr. and Mrs. Roy Newton in Silver Cross hospital Wednesday October 15. She weighed eight pounds

12 ounces and has been named Connie Sue.

Mrs. N. F. Heiman is ill in her home.

Mrs. Donald Maue was in charge of the devotions and the program of the Woman's guild meeting of St. John's church last Thursday afternoon. The program covered the subject of "schools". Mrs. Fred Knudson reported that the woman who met at the church to do canning for the Bensonville orphanage and Old People's home, canned 144 quarts of fruit and vegetables. With the additional quarts which was brought in by the Sunday school members, 250 quarts were taken to Bensonville. Five members joined the society, Mrs. Alice Thomas, Mrs. Mary DeForest, Mrs. Walter Schoeneck, Mrs. John Roesener and Mrs. Marjorie Perzee. A total of 14 new members have been taken into the society this year. A few members attended the conference held Tuesday in the Emmanuel Evangelical church at Hammond, Ind.

Mr. and Mrs. George Kreml and Mrs. Willard Martie motored to Ft. Sill, Okla., to visit Jack Martie and Richard Kreml who are in training there.

Mrs. Henry J. Green of North Wolf road who returned to Los Angeles, Calif., with her son Mr. and Mrs. Henry J. Green, Jr., when they were here visiting two months ago, has returned home. While in California she also visited her daughter Mr. and Mrs. H. L. Woodworth and family.

The executive committee of the local PTA met last Tuesday evening and completed the program scheduled for the year. The next PTA meeting will be held Tuesday evening, October 28 at which time the teachers of the school will show their method of teaching arithmetic from first grade through the eighth. It promises to be an interesting subject. A social hour will follow. Every one is invited to attend.

The St. John YPL is sponsoring a Halloween costume party in the church basement the evening of October 30 starting at 7 o'clock. A pot luck dinner will be served followed by many different types of games. All young people of Mokena are invited.

The Great Betrayal

What to do about Communism in government probably is the most important issue to be decided by voters on November 4. How did the Roosevelt and Truman administrations get the nation into its sickening position. Here, with dates, is one case history. It is backed with official documents and recorded testimony. This is the case of

TWO MEN IN A TROJAN HORSE

1933—President Roosevelt recognized Russia (a thing Republicans had refused to do) and Soviet agencies opened organizational and espionage offices throughout the United States. Communists, heartened by Acting Director of the Budget Paul Appleby's declaration that a government employee "has just as much right to be a member of the Communist Party as he has to be a member of the Democratic or Republican Party," entered government employment.

1934—An energetic Communist group infiltrated the Department of Agriculture, then fanned out into other government departments so the party's activities could interlock.

1935—Two members of the Department of Agriculture's original cell expanded their power. Nathan Witt became secretary of the newly-created National Labor Relations Board and Lee Pressman became General Counsel of the CIO.

1937—Together, Witt and Pressman conspired, not to adjust a labor dispute, but to create one (the Inland Steel strike). In the end it was the unions, not the administration, who rebelled and forced these men into the open with the anti-Communist oath section of the Taft-Hartley act. Before Witt and Pressman were discovered and kicked out they spent a total of 15 years in powerful positions, both in and out of government, which they used to further Communist conspiracy.

1950—Pressman finally confessed under oath that Witt and he had been among members of the original Communist cell in the Department of Agriculture.

VOTERS URGED TO CONSIDER BLUE BALLOT

The heat of the issues and arguments in the approaching election should cause no one to overlook the importance of the proposed amendments to the 1870 State Constitution on which all voters will be asked to vote as part of the Blue Ballot program, say the Illinois County Officers, Committee for Constitutional Revision, of Springfield.

Four propositions will be voted on this ballot. The voter is privileged to vote for all four propositions, or any one of his choice.

Of the four proposals, Amendment No. 2 and Amendment No. 3 are quite simple, but important, since they relate to Article X, which is the section dealing with county government, something that we all know about, use, and need right here at home, the committee points out.

Proposition 2 would allow sheriffs and county treasurers to succeed themselves in office—that is run for re-election to consecutive terms just like every other county officer. Illinois is one of only five remaining states in the Union with such obsolete restrictions—written many years ago when there were no such safeguards as surety bonds and audits, all of which now adequately protect the public interest. All other county officials can run for re-election. Why not sheriffs and treasurers?

Proposition 3 would remove the rigid salary provisions set up by the old constitution, and henceforth the legislature would dictate the salary limits. Then the various county boards of supervisors would set the actual salaries, which keeps the power of fixing salaries right here at home safe in the hands of the advocates and guardians of Home Rule.

This proposal would apply to five county officers—county and circuit clerks, sheriffs, treasurers and recorders. The state legislature already has the power to set the salary limits on all other county officers. Why discriminate against these five?

A vote "Yes" on propositions 2 and 3 will strengthen our government at the county level, will encourage county officials to strive for higher standards of efficiency and economy, will attract better candidates in future elections, and will immeasurably strengthen local government on the Home Front, which certainly is desired in the face of bureaucratic encroachment by the larger governmental units in our political system.

Chicago Couple Wed in Frankfort

Miss Martha Freuchte, of Chicago, daughter of Mr. and Mrs. August Freuchte, of Eitzen, Minn., was united in marriage to Mr. Raymond Rowe, of Chicago, last Saturday evening, October 18, at 5 o'clock. The ceremony took place in the Evangelical Reformed church, in Frankfort, with the Rev. Erich Bizer officiating. The new Mrs. Rowe is a cousin of Mrs. Bizer, who played the organ. The groom's cousin, Ed Donahue, sang "Because," and "Through the Years."

The bride wore a gorgeous pink lace gown, and carried a bouquet of chrysanthemums. Attending the bride were Miss Esther Freuchte, of Eitzen, Minn., sister of the bride, and Charles Rowe, of Milwaukee, brother of the groom. The bridesmaids were dressed in plum colored velvet, and each carried a bouquet of mums.

Ushers were Robert Bizer of Sycamore, and Walter Trebold, of Broadview.

A dinner was served for 50 guests in the church parlors by the Women's Guild. After the

reception the young couple went to Florida for their honeymoon. On their return they will reside in Chicago.

Guests were from Chicago, Minnesota, Hammond, Milwaukee and DesPlaines.

Festival of Faith To be Held Sunday

Next Sunday, October 26, Reformation Sunday will be celebrated, the second Annual Festival of Christian Faith, at the JTHS Auditorium, in Joliet. The service will start at 7:45 p.m. and will be broadcast over WJOL from 8 to 9 p.m. Doors will open at 7 p.m., organ music will start at 7:30.

Principal speaker will be P. Shaldon Johnson, D. D., executive secretary of the Presbyterian of Chicago since 1938.

The invocation will be led by Rev. Rudolph A. Hartman, president of the Will County Ministers' association.

"Faith is the victory" is the motto being used this year, and a banner on the stage will proclaim this truth also.

Many of the churches from this area will participate in Reformation Sunday services.

Vote Nov. 15 On Waterworks Improvements

A special election will be held in Mokena on Saturday, November 15, to vote upon the proposition of whether bonds shall be issued to the amount of \$65,000, for the purpose of paying the cost of improvements and extensions to the existing water works system.

Last week petitions were circulated through the village with regard to Ordinance No. 372, requesting that a special election be held on this, also. This ordinance authorizes the improvement and extension of the municipally-owned water works system of the village of Mokena and provides for the issue of \$60,000 water revenue bonds for the purpose of defraying the cost of such improvements and extensions.

HALLOWEEN PARTY

The usual Halloween party will be held in the Mokena public school next Friday afternoon. Pupils from the first, second and third grades will be in costume and will form a line to parade through all the rooms, starting at 2:30.

BRING PARENTS ALONG

The Mokena Pack 49 is urging all Cub Scouts and their parents to attend their meeting this evening October 24 at 7:30 in the Mokena public school.

Den 5 will put on a skit and interesting movies will be shown on fishing. Mrs. Helen Murphy is Den mother.

ORLAND PARK
Mrs. Sherman Knox
Orland Park 211W

The Homemakers unit met October 16 at the home of Mrs. J. E. Stevens, Cooper street. Mrs. Carmel Eriksen was co-hostess. Dessert-coffee was served at 1:30. Plans were made to have a booth at the PTA Fair October 25 at the Haven school, New Lenox. Each member is asked to bring something for the booth.

The next meeting will be held at the home of Mrs. C. E. Kellogg Nov. 21.

Members of the Reish family met at the home of Mr. and Mrs. Ellsworth Uthe, Saturday night to honor the birthdays of

Mae Hebel, Marion Horn, Ellsworth Uthe and daughter Betty.

Mr. and Mrs. Wilbur Hossbach of near Frankfort, celebrated their 5th wedding anniversary Sunday evening with a gathering of friends and relatives. Mr. and Mrs. Charles Cooper and Mr. and Mrs. Thomas Cooper, Mrs. Harvey Cooper of Orland were guests. Mrs. Hossbach is the former Lois Cooper.

Mrs. Harry Rauch entertained her bunco club Tuesday afternoon.

The WSCS of the Methodist church will hold their all day session, Thursday, October 30 at the home of Mrs. Henry J. Wolske, Sr. on West ave. and 146th St. Visitors are welcome.

The regular meeting of Laurel Camp 1796 RNA will be held in the home of Mrs Mildred Shroats Thursday evening, October 23 at 8:00 o'clock. The social period will be in the form of a Halloween party, and members are requested to come dressed for the occasion, at least wear a mask, otherwise you will be taxed a fine.

The national financial drive for funds for the Girl Scouts began October 15 and will continue through to October 31. It is hoped that thru this means of announcement, that all the organizations in this community will respond with a contribution to this cause. This drive for funds is necessary to carry on the work of the Girl Scout movement. You can send your contribution to Mrs. Virgil Henry, leader of Orland group.

Mrs. Gilbert Sayers underwent

surgery, October 13 in Silver Cross hospital, Joliet. She is doing nicely and hopes to be home real soon.

Sgt. James Gray who has served overseas the past year, received his honorable discharge and arrived home October 11 from Germany. Needless to say he was overjoyed to greet his wife, Gertrude and daughter, Patricia Ann. For the present, they will reside with grandparents, Mr. and Mrs. Walter Yunker.

Mrs. Eleanor Ludwig entertained her 500 club last Wednesday evening.

Mrs. Donald Cleveland is a patient in Silver Cross hospital, Joliet. She underwent surgery last Saturday, and from reports is doing nicely.

Mrs. Ernest Wood is on the sick list. She had been a patient in St. Francis hospital, Blue Island for a few days but is home now.

Mr. and Mrs. Thomas Cooper and Edgar Cooper called on Mrs. Edith Cooper in LaGrange Sunday. Mrs. Cooper has been ill for sometime and is confined to her bed.

MARLEY
Mrs. Virginia Sass
New Lenox 3133

The October meeting of the Marley Missionary society was held in the church last Wednesday afternoon. The hostesses were Mrs. Francis Nelson, Mrs. Joe Bruns, Mrs. James Frazer and Mrs. Louis Nelson. The president, Mrs. Jack Gardner presided. Routine reports were given and the treasurer, Miss Caroline Tilsy, reported on the annual supper and bazaar and also on two other suppers served September 27 to a group of men from the Hinsdale Presbyterian church and October 11 to a similar group from the Morgan Park Presbyterian church. The program was presented by Mrs. Daniel Sass. Mrs. Loren Sass gave an article, "A Part of God's Earth." Mrs. William Bingham talked on "A Church in the Pacific." The devotions on "Justice" were given by Mrs. Edward Sproat. After the meeting refreshments were served.

Mr. and Mrs. Russel Lauffer opened their home to members of the Freeman Fellowship Sunday night. Mrs. Jack Gardner presented the program. The topic was "Skid Row." The next meeting will be in the Gardner home.

Mr. and Mrs. Robert Kerr of St. Petersburg, Fla. were entertained at supper Sunday evening in the home of Mrs. C. F. Haley and Miss Agnes.

It's Hard to Believe
But it's True!

Four important practices pioneered by State Farm Mutual save members millions of dollars over ordinary insurance costs!

- With State Farm's original—different—insurance plan you pay the cost of a local agent's sales commission only once. After that you pay only for insurance; a real saving every time.
- Careful drivers are the ones State Farm aims to insure... fewer accidents keep costs down.
- State Farm's unique semi-annual method of preparing premium notices enables State Farm to pass rates to members' recent driving records. In the last four years, rates have been reduced more than \$18,000,000.
- All these company advantages are shared mutually, and the savings which result benefit State Farm members.

YES, IF YOU ARE A CAREFUL DRIVER YOU CAN BE A STATE FARM MEMBER—CALL US TODAY!

This Polish Contains:
NO ACID
NO GREASE
NO ALKALI
NO PUMICE
NO WAX

IT IS a Vegetable Compound
and Imported Coconut Oil

Directions: Use Turkish Towel or Wash Cloth— Dampen Cloth to Apply to Car.

A DRY CLEANER
NU-BRITE

A modern formulated product that cleans and polishes all in one operation, for automobile finishes (including the new paints.) It contains a solvent which harmlessly removes dirt, grime and old wax that oxidizes on the surface and restores the finish to its original color and beauty. Free from Oil cloudiness and streaks.

Nu-Brite functions differently from other polishes inasmuch as it requires no hard rubbing and leaves a perfectly dry, clean finish that holds its lustre much longer than a surface on which ordinary polishes have been used.

Simply rub Nu-Brite Polish-Cleaner on wet cloth, apply to finish, let dry, and wipe off to polish. Dealers find Nu-Brite Polish-Cleaner is unexcelled in every department.

YOU'LL
Harvest More
WHEN YOU SAVE
REGULARLY

The more acres a farmer plants in Spring, the bigger his crop will be in Fall. In the same way, the more money you save today at Harvey Federal Savings, the bigger your account will be five years from now. The best way to be sure you have the money you need for the future is to save a definite amount regularly. Harvey's liberal dividends paid twice yearly "feed" your account for a bigger "harvest" . . . insurance to \$10,000 guarantees its safety. Start "planting" your savings regularly at Harvey Federal Savings and look forward to a true "golden harvest" in your future.

P. S. Regular saving is easier with our SAVE-BY-MAIL Plan.

Tips on Touring

By Carol Lane

Women's Travel Authority

Just as there is a right and a wrong way to kick a football, there is a right and a wrong way to motor to the game.

The wrong way is to set out for the Alma Mater with just enough time to make the kickoff, and start for home again right after the final whistle.

By so doing, you can be sure to get tied up in maddening traffic jams.

Instead why not combine your trip to the game with other pleasures

such as visiting old friends and sightseeing along the way? That's the right way to plan a football weekend—to save wear and tear on both the car and your nerves.

Plan to leave home early enough Saturday morning to check in at a motel or inn reasonably near the campus and still arrive at the stadium before the crowd. Take along sandwiches and a thermos-bottle of hot coffee or hot chocolate to eat in the car or in your seats before game time.

After the game you can browse around the campus and enjoy the inevitable reunions and victory celebrations without worrying about crowded highways.

Have a good night's sleep and drive back leisurely on Sunday, preferably taking the back roads. Include a pleasant luncheon or a stop to enjoy the scenery along the way.

Combine the excitement of the Big Game with a wonderful weekend "Tourette"—and you won't come home feeling as if you had been the football!

DEARBORN-WOOD BROS. CORN PICKER

Works Equally Well in Everything from Heavy Yielding Hybrids to Pop Corn

It doesn't matter what kind of corn you get into with this picker—little ears, big ears, ears low or high on the stalk, ears and husks that hang tight or loose, or hybrids, open pollinated, or pop corn. The Dearborn-Wood Bros. Corn Picker works well on all of them. Furthermore, it is not necessary to be forever fussing with various adjustments to meet slight changes in crop or field conditions.

These features are important to farmers. They are even more important, perhaps, to custom operators or to farmers who do custom work.

Boost Corn Yields by Cutting Field Losses

with a JOHN DEERE No. 226 Corn Picker

You'll crib more corn from every acre by saving more ears from every row with a John Deere No. 226 Two-Row Mounted Corn Picker.

The No. 226 is a corn-saving picker in every field and crop condition. Wide and gently-sloping gatherers search out the ears and deliver them to the snapping rolls, whether the stalks are standing, or down and tangled. Big-capacity husking, cleaning, and elevating units, and efficient, straight-through handling assure clean corn... steady going in the heaviest yields.

The fast-picking, maneuverable, economical John Deere No. 226 is the ideal picker for large-acreage farmers, custom operators, and seed-corn growers. See us soon for complete details.

BETTER SCOURING and LIGHTER DRAFT

Hi-Klearance PLOWS

Quality built for dependability and long-life, MM Hi-Klearance Plows are famous for light draft, correct scouring, and high lift. Here's the plow with a clearance of 23 1/4 inches between the point of the share and the underside of the beam. (26 1/4 inches on 16-inch plow) A high transporting lift of 10-inches provides easier turning at the ends of the field and prevents dragging of trash and stubble. MM's quick-action Uni-Matic power-lift provides a 7-inch lift without a lever change. A 10-inch lift is used to give extra high clearance when plowing unusually deep or in very soft ground. Since the plow can be set 12-inches deep, it will meet your most extreme needs.

UNI-MATIC POWER
MM's Uni-Matic hydraulic power-lift enables the operator to raise or lower implements automatically, permits pre-selecting or changing tool depth or height of cut. Uni-Matic Power reduces the fatigue, labor and drudgery of farming and is optional with MM's R, Z, U, and G Visionlined tractors. See us for complete facts on MM Uni-Matic Power, Hi-Klearance Plows, MM Modern Machines, Visionlined Tractors and Power Units.

Protest Against Conviction of Bishop Bossilkoff

John H. Hoogervorst, of Tinley Park, president of St. George branch of the Holy Name Society, has registered a strong protest with the United States government concerning the latest Red outrage in Bulgaria.

On behalf of the membership of his Holy Name branch, he asked the representatives of the United States government to act in the recent conviction of Bishop Bossilkoff and other religious and lay leaders in that country.

"The unjust trial and sentences imposed upon Catholic clergy in Bulgaria," Mr. Hoogervorst said, "has shocked every member of our Society who values the role of religion in community life."

Other officers of the branch are: Raymond Feldner, Mokena, Ill. Vice President, Frank Miller, Tinley Park, Ill., Secretary, Jos Vladika, Tinley Park, Ill., Treasurer.

Frankfort Fire Dept. Called Out Twice in Afternoon

The Frankfort fire department was called out twice Sunday afternoon. The first call was to the Midwest grocery store in Lincoln Estates, where a building used for storage in the rear of the store had caught fire. The fire was quickly put out, with little damage.

Again, at about 4 o'clock that afternoon, they were called to the farm home of Herman

Kuester, of Frankfort, where a grass fire burning along the road got out of bounds and into the Kuester meadow. It was headed towards the trees and shrubbery.

Wonder How Miss Gilbert Is in "Histery"?

By now I guess you've heard about the spelling errors in the kids' report cards this week.

A typical card looked like this:
Arithmetic.....B
Geography.....B
Spelling.....C
Grammar.....B

I don't know if Miss Gilbert, the principal, actually wrote those cards, but she took full responsibility. This morning I hear she got up in the Assembly Hall—before all the students—and started writing GRAMMAR with two "a's" on the blackboard 100 times!

From where I sit, I'll bet this makes her even more popular with the students. It's nice to see an expert admit she occasionally makes a mistake. Too many so-called "experts" claim they're never wrong on such subjects as what you or I ought to eat... what we should wear... whether we should enjoy beer or butter-milk. A really wise person never claims to "know all the answers" all the time.

Your STATE of Health

ROLAND R. CROSS, M.D., D.C.
Illinois Department of Public Health

V.D.—A PERSONAL PROBLEM

Ten years ago, venereal disease—syphilis and gonorrhea—were public health problems of first magnitude. They remain significantly important today, but dramatic declines in prevalence have brought changes in the approach to the problems of control in Illinois.

With reported cases of syphilis in 1941 totaling some 23,000 in the state, intensive public testing was the need. Few more than 9,000 cases of this venereal infection occurred in Illinois last year, indicating the need for a personal appeal to individuals to safeguard themselves against the diminished reservoir of syphilis.

Guarded Optimism

Public health workers are encouraged by the drop in venereal disease, but are wary of future developments should persons feel that the danger is past.

As long as the infections remain among a relatively small segment of the population, the danger of spread to non-infected persons exists. Therefore, everyone should avail himself of the free information concerning the nature, cause, and spread of venereal diseases.

V.D. Treatment

There is little reason for a person who becomes infected with a venereal disease today to suffer without treatment. Modern "wonder drugs"—principally penicillin—has made possible rapid treatment of most cases.

Where, previously, a specialist required one and a half to two years to overcome the disease, the general practitioner can give effective treatment with penicillin in about ten days.

Despite the encouraging progress against venereal diseases it must be recognized that many undetected cases still exist. Our overcrowded institutions are populated with thousands of persons with syphilitic mental disorders. In 1950, 558 persons died of syphilis.

This personal health problem—this public health problem—thus, is still very much with us. It is in the best interests of all of us to join in the fight against V.D.

Test of Faith

Lesson for October 26, 1952

EVERY one who has carefully studied the "Sermon on the Mount" as we find it in Matthew, has run into a peculiar feature of it. The first two chapters (Matt. 5 and 6) move right along in logical fashion, one thought leading into the next, to a climax at the end of chapter 6. But chapter 7 seems to launch out in all directions. The sentences or topics do not follow a single thread of thought. The chapter is very hard to outline. There are various explanations of this. One is that in this chapter we have what might be called the discussion period or forum following the sermon. The various short paragraphs may be explained as being answers Jesus gave to questions which are not recorded. However that may be, we may select verses 12, and 15-27, and see how they answer four very natural questions which Jesus' teaching (especially in Matt. 5 and 6) would raise.

Dr. Foreman

Bible in a Nutshell

Some one might ask: "Can't you make your teaching simpler and plainer? Could you put the whole thing in a nutshell?" So Jesus gives the Golden Rule (7:12), a single sentence that has embarrassed the theologian and plain Christian alike. Jesus offers this as a kind of summary of the Bible, for in his time the Bible he had (our "Old Testament") was customarily called "The Law and the Prophets." This bothers the theologian because it always scandalizes a scholar to have everything put into one sentence, and besides, theologians are accustomed to finding a great deal more in the Old Testament than the Golden Rule. It bothers the common everyday Christian because when he looks at this sentence, he knows how right Mark Twain was: "It's not what I don't understand in the Bible that disturbs me; it's what I do understand."

How Can You Tell?

Another question: How do we know you are teaching the truth? How can we tell you from a false prophet? Jesus gives a simple answer: You can tell a tree from its fruits. People who criticize Christianity should keep this point in mind. There is a great deal in "Christianism" which is not good. But Christendom is not Christianity. Not even the church is Christianity. Anything in the church that ought not to be there, we must set down against the account of the church, not against Christ. If the church is weak and sinful it is because and so far as she has failed to follow Jesus, not because she has followed him. The fruits of Christ, of his heart, his spirit, his teachings—these are good fruit. And if any one is disposed to doubt that, let him fairly answer this question: Where would you rather live, in a community in which the citizens were strangely like Jesus, or one in which they were just the opposite?

Is Not Faith Enough?

Another question: Isn't a single act of faith enough? If I believe what I ought to believe, and if I honor Christ as Lord, isn't that enough to make me a Christian? Jesus offers a test of faith, as if in answer to some such question. It isn't just believing; it isn't paying honor to the name of Christ; it isn't preaching in his name, it is not even performing miracles. The question that will be asked at the Day of Judgment is: Did you do the will of God?

Will It Work?

One more question: Your teaching sounds interesting and is idealistic and all that, but is it meant for this world? Will it work? Jesus quite emphatically claims for his teachings an absolutely practical value. They are not for some Never-never Land, they are not for some other time, some other life. They are not some radical upside-down topsy-turvy mess of peculiar notions. They are the bedrock of a life that will endure through storms. Do you want to find out whether these teachings and ideals of Jesus will work? He invites one and all to build their house of life upon them. He does not promise at any time that those who live by his teachings will be free from trouble, sorrow, opposition, tragedy. Storms come to all houses alike. What he does promise is that the life built here shall not fail.

GEORGE WASHINGTON STRANGLER

A rich country gentleman and retired President of the United States, George Washington, at the age of 67, "took cold" while riding in the rain.

No amount of money could save Washington when he was put to bed with chills and a sore throat in 1799. The Father of His Country strangled from a disease called diphtheria—which today is known as diphtheria.

Today, every person in Illinois may have the protection against diphtheria which was not available to our first President.

Preventive Discovered

No sudden miracle enabled man to master diphtheria. It took years of stubborn research to over-power the disease.

Discovery, in 1898, of the deadly poison given off by the diphtheria germ and development of anti-toxin treatment in 1892 set the stage for the final step—prevention of the disease with a mixture of toxin and anti-toxin.

The idea of diphtheria prevention through immunization was introduced to this country in 1913. Slowly but steadily the disease was conquered.

As late as 1921 diphtheria attacks were suffered by 20,857 Illinois residents. As immunization became more general, cases decreased to 940 two decades later. Last year diphtheria cases in this state fell to a record low of 29.

Complacency Dangerous

The greatest present-day danger from diphtheria lies in a feeling of complacency because of the virtual elimination of this disease. But it will not remain conquered until continued widespread immunization.

All new parents should consult their doctor concerning diphtheria immunization of babies. The doctor probably will advise this protection at six to eight months followed by a "booster shot" before entering school. He also can advise you as to need of protection for all members of the family.

If you desire more information about this disease, write to the Illinois Department of Public Health, Springfield, Ill. for the free pamphlet entitled "Diphtheria."

COOK COUNTY DELINQUENT TAX LIST

OFFICE OF COUNTY TREASURER OF COOK COUNTY AND EX-OFFICIO COUNTY COLLECTOR OF COOK COUNTY, ILLINOIS.

Advertisement and Notice of Collector of Cook County of Application for sale of Delinquent Lands and Lots for General Taxes for the year 1951, and Notice of Sale Thereof and application for judgement, fixing the correct amount of any tax paid under protest and for order for sale on such payments, as provided by law.

Orland Township, Illinois
October 23, 1952

NOTICE is hereby given that the said Collector of Cook County will apply to the County Court of Cook County on the third day of November, A. D. 1952 for judgment against lands and lots hereinafter described as being delinquent upon which taxes remain due and unpaid, or personal property taxes charged thereon, as noted in this advertisement, remain due and unpaid, for said taxes interest and costs and for an order to sell said lands and lots for the satisfaction thereof according to law (excepting from said judgment and order of sale the cases which are included in this advertisement for sale only under former unexecuted judgments and orders for sale as may be noted in this advertisement.)

Notice is also given that an application fixing the correct amount of any tax paid under protest.

Notice is further herein and hereby given that on the second Monday next succeeding the third day of November, A. D. 1952 to-wit, the seventeenth day of November, A. D. 1952 at the hour of 8 O'clock A. M., all said lands and lots hereinbefore described for sale of which an order shall be made or has heretofore been made and not executed as noted, will be exposed to public sale at the County Building of Cook County, where the County Court is held in said County for the amount of taxes, interest and costs due thereon respectively.

The following is a list of delinquent lands and lots upon which the taxes remain due and unpaid, the name of the owners, where known, the total amount due thereon (excluding delinquent special assessments separately advertised) and the year or years for which the same is due.

AUDIT CERTIFICATE
We have examined the statements of financial condition of all funds of the Village of Mokena as of June 30, 1952, and the related statements of cash receipts and disbursements for the fiscal year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such

tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances, except as noted in the following paragraph.

We did not follow the generally accepted auditing procedure of communicating with water users to confirm their unpaid balances as of June 30, 1952, and, since the accounting records for years prior to the fiscal year ended June 30, 1951 are insufficient to substantiate the amounts expended for buildings, pumping station equipment, mains and other equipment, the scope of our examination was inadequate to permit us to express an opinion on the accompanying financial statements taken as a whole.

In our opinion, subject to the exceptions stated in the foregoing paragraph, the accompanying financial statements and related statements of cash receipts and disbursements present fairly the financial condition of the various funds of the Village of Mokena

at June 30, 1952, and the results of operations on a cash basis for the fiscal year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

CARD OF THANKS
 We wish to express our heartfelt thanks to the Tinley Park Inhalator Squad for their efforts to save Mr. Young's life, and to Dr. Faruki and Dr. Cave. Mrs. EDNA YOUNG and DAUGHTER DOROTHY.

CARD OF THANKS
 Our grateful thanks are extended to all our neighbors and friends for their kind expressions of sympathy in our recent bereavement; also to Rev. Reimann for his comforting words; to the organist, Mrs. Mildred Maue and soloist Oliver Keislar; and to those who sent lovely floral offerings and donated the use of their cars.

FAMILY OF BEN YOUNG
 Carol Cupp was the honored guest recently at a stork shower, given by her mother-in-law in the VFW hall. The centerpiece of the table at which a Smorgasbord was served, was a large stork, with miniature storks arranged around it. Favors were little pink and blue crepe paper bonnets. Guests were: Mrs. Blanche Yepsen, Mrs. Ellen Funk, and Mrs. Violet Hultsch of Tinley Park; Mrs. Marge Bohl, Mrs. B. DeVore, and Miss Nancy DeVore of Dolton; Mrs. Sarah Agnew, Mrs. Dan McCoy, Mrs. George O'Connor, Mrs. E. Handy Hints

Having trouble with hens roosting on water fountains, or self feeders? Then try this Handy Hint: Suspend a bolt—(a heavy nut, hoop, or piece of metal will do)—from the ceiling until it hangs like a plumb bob directly over the fountain.

When a hen tries to fly up on top of the fountain, she bumps into the weight—and she's promptly discouraged. She won't hold her perch long, even if she gets a foothold, because of the swinging weight.

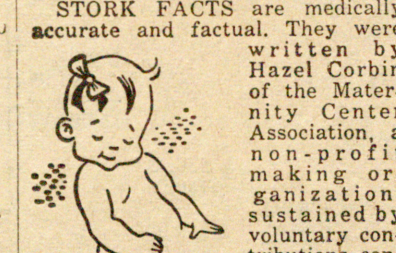

GREET THE STORK WITH A SMILE!

STORK FACTS is a MUST on the reading list of all expectant mamas and papas, too. They're a series of seven bulletins which give an enlightened approach to child birth, telling the story in a light, often humorous, easy to read manner.

STORK FACTS tell expectants everything they want to know. Will it be a boy or girl? How to prepare for baby's arrival. How the baby grows each month. How to plan baby's layette. Should baby be nursed? How to prepare for the hospital. All this and more, too, is covered in these seven bulletins.

STORK FACTS are medically accurate and factual. They were written by Hazel Corbin of the Maternity Center Association, a non-profit making organization, sustained by voluntary contributions, concerning itself with maternity health. Doctors have expressed appreciation for these bulletins because they feel that by reading them their patients find the answers to many little questions about which they would ordinarily keep calling to question their doctor. **STORK FACTS** are also used throughout the United States in hospitals, universities, city, county and state health centers, Red Cross classes and public nursing services.

STORK FACTS are FREE of charge. Send for your set of bulletins immediately. Simply mail your name, address and the month your baby is expected to **Stork Facts**, Dept. P. R., 465 Fifth Avenue, New York 17, N. Y.

SPEED COUNTS
 AT
Milking Time

Faster milking, according to dairy tests; helps increase milk production. The gentle, thorough action of McCormick-Deering Milkers helps your cows let down their milk faster—and give more milk. McCormick-Deering Milkers also decrease the amount of strappings and help maintain healthy udders. Take good care of your milker. Ask us for suggestions on keeping it operating efficiently.
